remarks by Agriculture Department
Director Dan Newhouse & a plant tour.

Wednesday, September 2nd, 2009
12 Noon

Inland Empire Oilseeds, LLC
206 W. Railroad Avenue, Odessa, WA 99159

Please RSVP to 509-982-2970 by August 25th.
CASUAL DRESS

Why Biodiesel?

- Biodiesel lowers tailpipe emissions and is environmentally friendly
- Biodiesel made in Odessa from Washington-grown canola reduces our dependence on foreign oil
- Biodiesel is non-toxic and biodegradable
- Biodiesel production is energy efficient, returning 4.5 energy units for every one unit required to make it.
