

*O.A. Vogel Washington State Crop Improvement Association
Competitive Student Travel and Education Grant Application*

(Awarded annually up to \$1000 per applicant)

Due to the Academic Coordinator, Johnson 205, by September 25th Annually

Eligibility:

Undergraduate students majoring and advised in the Department of Crop and Soil Sciences

Graduate students majoring and advised in the Department of Crop and Soil Sciences. It is highly recommended that graduate students attending professional meetings present an oral paper or poster. This will be a factor in the decision-making process.

Uses:

- Field Trips
- Professional Meetings
- Short Courses
- Workshops

Note: We reserve the right to restrict the amount and uses of the money based on factors such as the amount available and number of applicants. The Crop and Soil Sciences Scholarship Committee will make final decisions on all awards.
