

Soil Science Seminar Series

Soils 501, Dept. of Crop and Soil Sciences, Fall 2006

August 28 (**joint w/soils**)

Dr. Tobin Peever, Associate Professor, Dept. of Plant Pathology, WSU
"Are University Research Farms Centers of Pathogen Diversity for Diseases of Introduced Crops?"

September 4

Labor Day (all university holiday-no class)

September 18

Dr. Hesham Abdou, Visiting Scientist from the Department of Soils and Water, Suez Canal University

Part 1: "Egypt, Water and Soil in Egypt: From the Pharaohs to the 21st Century"

September 25

Part 2: (same as above)

October 2

WSU Dept. of Crop and Soil Science Graduate Students

"Beyond the Palouse! 2006 CSS Statewide Tour"

October 9

Dr. Ralph Cavalieri, Associate Dean/Director, Washington Agricultural Research Center
"Bioproducts and Bioenergy-Opportunities for Washington"

October 16

Dr. Colin Campbell, and Dr. Doug Cobos, Scientists at Decagon Devices; and adjunct faculty members in the Dept of Crop and Soil Sciences, WSU
"Advances in Soil Physical Measurements"

October 23 (**time/location TBA**)

4th Annual Campbell Lecture:

Dr. John Baker, Research Leader, USDA-ARS Soil & Water Management Unit, St. Paul, MN
"Biometeorology and Biofuels"

October 30

Dr. James Harsh, Professor, Dept. of Crop and Soil Sciences, WSU
"Do Clay Minerals Prefer Some Cations to Others?"

November 6 (**joint w/crops, to be held at 1:10pm**)

Dr. Carlo Liefert, Director, TESCO Centre for Organic Agriculture and Professor of Ecological Agriculture, University of Newcastle, Newcastle-on Tyne, England

"Effect of Fertility Management, Rotational Design and Crop Protection Practices on Crop Quality Parameters"

November 13

ASA meetings (no seminar)

November 20

Thanksgiving Break (no seminar)

November 27

Lori Hoagland, Ph.D. Candidate, Soil Science, WSU
"Organic Orchard Floor Management"

December 4

Karine Pare, Associate in Research, Dept. of Crop and Soil Sciences, WSU
"Dissolved Organic Nitrogen Leaching in Fertilized Soils"

**Mondays
1:10pm**

**Johnson Hall
204**

Refreshments
served prior

WASHINGTON STATE
UNIVERSITY

World Class. Face to Face.
